## Experience

Ventrum  
CEO and Founder  
August 2006 - Present (14 years 1 month)

Ventrum prides itself in being the leading provider of recruitment and staffing services for a wide range of industries. We provide staffing services to firms throughout the United States and Canada. We attract the best pool of talent with the aim of nurturing sound work ethics and solid values amongst a highly motivated and diverse workforce. Through our proven recruitment methodologies, we believe in handpicking the most passionate and dedicated individuals who are team players with respect for varying work cultures. We provide world-class technology services by constantly exploring and implementing innovative solutions that drive long-term value to our customers. We believe that success is a measure of performance; therefore, we help customers envision and shape their future around the key drivers of technology, productivity and cost-effectiveness. Our expertise is derived from years of delivering world class IT staffing services to every company from a small startup to the fortune 500. Ventrum is committed to delivering innovation; therefore we collaborate with our clients to help them become high-performance businesses.

Diligente Technologies  
CEO and Founder  
August 2006 - Present (14 years 1 month)

Diligente Technologies is a Woman & Minority owned IT services company. Through a deep understanding of your business needs, Diligente Technologies provides a strategic partnership to give you the support you need to proactively impact your business goals. We deliver innovation in the solutions we provide and power any service-centered enterprise. Our leading Managed Services and Staffing solutions combine speed of delivery and highly qualified professionals enabling clients to efficiently integrate talent management with their corporate goals. We are constantly adopting the latest cutting edge technologies to improve services and to ensure that your projects have the sufficient talent and skilled resources for a successful completion.

Whether you are a startup company or a mid-size to large organization, Diligente Technologies can help staff your mission critical technology projects with qualified professionals with contract, contract to hire and direct hire. Consistently recognized for excellence, we deliver unsurpassed service by developing productive, everlasting business relationships with our clients. Our business thrives on our core values of honesty, integrity, and loyalty to our clients and the talent we place.
