Steve Wozniak

Fellow at Apple
Los Gatos

Experience

Fusion-io
Chief Scientist
July 2014 - Present (6 years 2 months)
Primary Data

I'm looking into future technologies applicable to servers and storage, and helping this company, which I love, get noticed and get a lead so that the world can discover the new amazing technology they have developed. My role is principally a marketing one at present but that will change over time.

Apple
Fellow
March 1976 - Present (44 years 6 months)
1 Infinite Loop, Cupertino, CA 94015
